ORDER REMANDING TO EXAMINER

---

On November 4, 1996 (Paper No. 10), Appellants filed an Amendment after the Final Rejection. The Examiner filed an Advisory Letter (mailed December 3, 1996; Paper No. 11) stating "Upon the filing an appeal, the amendment will be entered. On April 14, 1997 (Paper No. 15) the Appellants filed an Appeal Brief. Due to entry of this amendment, (amending claim 1), appellants' Appeal Brief is defective, for it is no longer accurate in the status of any amendment filed subsequent to the final rejection, nor does Appellants' Brief contain an accurate Appendix. Title 37 CFR § 1.192(c)(9) (1998) requires that the Appendix to the Appeal Brief contain a correct copy of the claims involved in the Appeal. In the current status, the Appeal Brief is not in compliance with 37 CFR § 1.192(c)(9).

Appeal No. 1998-3148  
Application 08/520,662

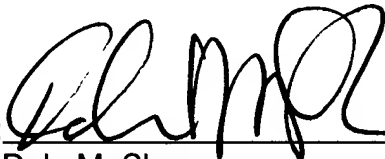

Accordingly, it is

ORDERED that the application is remanded to the Examiner for resolution of the following issues:

- (a) the entry status of the Amendment filed November 4, 1996;
- (b) notification in writing to appellants for submission of a corrected Appendix to replace the existing defective Appendix; or
- (c) issuance of a supplemental Examiner's Answer by the examiner to officially correct the Appendix; and
- (d) for any further action as may be appropriate.

It is important that the Board of Patent Appeals and Interferences be informed promptly of any action affecting the status of the appeal (i.e., abandonment, issue, reopening prosecution).
